ONE OF BRYAN'S BUSINESS MEN PASSES AWAY.

Tuesday evening about 9 o'clock Mr. James Marion Hanna, one of the business men of this city, breathed his last in the presence of sorrowing relatives and friends. Mr. Hanna had not been well for three months, having suffered from a general breakdown. But the end came suddenly and unexpectedly, the direct cause being due to chronic asthma.

He was born in Terry County, Ill., May 24, 1862, making him 54 years and 13 days old.

He was converted and joined the Presbyterian Church when a young man of about 22 years. He remained a faithful and consistent member to the day of his death, having served as a senior elder and also as Sunday School superintendent for 20 years.

On June 2, 1886, he married Miss Mattie Eliza Tatum. To this union were born seven children—Clara, Blanche, Bernice, Laura, Dwight, Paul D., and Bruce, all of whom are living except Clara.

By profession Mr. Hanna was a druggist. Since moving to Texas from Illinois four years ago, he has been engaged in business in Bryan.

Faithfully and well has Mr. Hanna served in the capacities mentioned above, but his greatest ability and usefulness was in the home. He was an ideal husband and father. He leaves a wife, six children and two brothers to grieve his loss. All of these were present at the time of his death except one of the brothers, who lives in Illinois.

The funeral will be held at the home some time tomorrow (Thursday). Definite arrangements have not been made.

We extend our sympathy and consolation to the aching hearts of those left behind.

NOTICE.

CITY OFFICIALS AND H. AND T. C. AGREE

Matters Which Have Caused Much Dissatisfaction Are Settled in Real Business Way.

The citizens of Bryan are in a better position today to congratulate their City Council than they were yesterday. The long-standing obstacle which has caused much unfriendly feeling between the officials of the H. & T. C. and the City of Bryan was on yesterday afternoon removed.

At 2 o'clock a meeting was had at the City Hall between the general attorney of the H. & T. C. and some of his assistants, the City Council of Bryan and a committee from the Commercial Association, to adjust these differences which have existed for some time and get back on friendly terms.

The matter of removing the compress track, which runs just at the rear of the City Hall, the Carnegie Library and Hotel Bryan, and across Franklin Street in front of the brick warehouse and by the compress property and the readjustment of the tracks in the lower yards so as to give a transfer privilege between the I. & G. N. and the H. & T. C. was the first matter settled.

An agreement had already been reached regarding these matters between the railroad and the city officials and was settled officially by agreeing to let the railroad run its track from Anderson Street west of the freight depot platform and around same east of the brick warehouse and connect up with their house track. The railroad officials wanted a strip 30 feet wide on the east side of their right-of-way beginning at the north line of Caldwell Street and running north four blocks, but the Council gave good reasons for not wanting to allow this, and after the matter was fully explained to the railroad officials they withdrew their request.

Everything was settled that has been in controversy and with no sacrifice from the City of Bryan and agreeable to the H. & T. C.

PRAYER OPENS CONVENTION TODAY

Rev. J. T. Stone Asks Guidance of the Almighty at Opening of Republican Convention.

Chicago, June 7.—The Rev. John Timothy Stone, minister of the Fourth Presbyterian Church of this city, delivered the following prayer at the opening of the republican national convention here today:

"Most holy and eternal God, we bow before Thee with reverent hearts and thoughtful minds. Thou art our God; Thou art the God of all nations; Thou art the God of our nation. Thou hast been the God of our fathers. Thou hast been our guide in times of peace and amid the perplexities of war. Thou hast given to us freedom, liberty, purpose and prosperity.

"Although the immediate interests which now control our gathering together have reference to our own national issues, we would not forget the warring, suffering nations of the earth. We pray Thee to bring them speedily, if it be Thy holy will, to terms of peace and conditions of adjustment.

"We bow before Thee and, pausing quietly, ask Thy blessing before entering upon the deliberations of this convention. As Thou dost order the affairs of men, so frame the doings of this great body. Save from all hasty and ill-spoken word. Control judgments, purposes, plans and platform, that all may have Thy pure mind of wisdom and strength. May the men of Thy choice be our choice, and may motive, method and result center in Thy sure laws of right and in Thy lasting victories of truth and righteousness.

"Direct, suggest, control this day. All we design or do or say; That all our powers, with all their might, In Thy full glory may unite."

"We ask all in the name of our common Master and Lord. Amen."

SAFE BLOWERS OPERATING HERE

Safe at the American Steam Laundry Was Robbed Last Night but Little Booty Is Secured.

Circumstances which show that there was a safe robber in Bryan last night were evident this morning when it was discovered that the safe at the American Steam Laundry had been robbed. It is admitted by the management that possibly the outer door of the safe either was left open or that the combination was not tripped when the place of business was closed last night, as the outer door was not damaged by the intruder. The inside boxes were prized open and rifled and everything of value was taken, which included some \$12 or \$15 in cash.

The safe which is used by this establishment is the property of Deputy City Marshal A. E. Worley and is of an old type. Mr. Worley was using one of the inside boxes to keep his papers and keepsakes in, and this was also prized open and the contents were strewn all about.

The robbery became known early this morning when a negro cook was going to work about 6 o'clock and found an old cancelled note belonging to the deputy city marshal in the street. She picked same up and carried it in and showed it to her mistress, and she telephoned Mr. Worley immediately about it and this gentleman started an investigation and the above facts were revealed. There is little clue for the officials to work on, but Mr. Worley says that Mr. Robber had better take care of his operations as he will be liable to get the spot light thrown upon him.
